Post 231

Unit 231

Squadron 231

This month the Auxiliary will be having their Annual Cancer Research Benefit. This is a good benefit and let's all help them raise a bunch of money. Thanks to all who have helped me while I have been feeling ill.

Donnie Lehman
Commander

As we know this is Cancer Aid and Research Month. We need everyone's help to make this successful. We will kick off Cancer Aid and Research with a Bean and Chile Cook-Off on Saturday the 2nd starting at Noon. The Garage Sale will be Friday the 15th and Saturday the 16th. We welcome anything you would like to donate to the Garage Sale. Donation items for the Garage Sale can be brought to the Post from the 10th to the 14th. Friday the 15th will be the Style show with the guys stepping out in their finest girly outfits. We will auction off their "Bling'd out Bras" after the Style show for "Bras for the Cause". Saturday the 16th we will have activities starting at Noon with the first Cake Walk. We will then have Cake Walks throughout the day. We need cakes for the Cake Walks from all you excellent bakers. At 4 pm on Saturday our Live Auction starts. We always have some really nice items for you to bid on. If anyone would like to donate to the Silent or Live Auction, we would appreciate it very much. A Rib and Sausage Dinner will be at 6pm. Ticket will be available starting on Feb 2nd and at the door on the 16th. After dinner we have sky lanterns available to release in honor of your loved ones.. This is always a fun month as we have lots of things for you to participate in. February is giving month. We give the money we make this month to people who have been afflicted by this disease for the rest of the year..

Well I have to say that our membership is doing good but if you have not paid your 2013 dues please do so as soon as you can. We look forward to supporting the Auxiliary's Cancer Research benefit and many of us will be in the Men's Style Show. Please support this event as it goes to a very important cause. I look forward to seeing you at the Benefit.

Jimmy Don Dixon
Commander

LEGION RIDERS

Hello Riders , We had a good meeting in January with a lot of information being put out. We have two benefits coming up, first will be Thumping Angel Wings on March the 2nd for Donita who was recently diagnosed with Breast Cancer. A group of individuals from Texoma ABATE and the American Legion Riders has stepped to the plate to put on a benefit for her. The second is our spring Meet and Greet rally with a tentative date of Saturday April. Please come out and help with both of these benefits. Remember February is the American Legion Auxiliary Cancer Aid and Research Benefit. On the 2nd there is the Bean and Chili cook-off so come show off your skills of cooking beans or chili. On the 15th there will be the Style Show to you all you guys to show off your feminine side and the 16th activities all day. Please support the Auxiliary in this important Cancer Aid and Research Benefit. Until we meet again keep the shinny side up and the rubber side down and remember we are only strong in numbers. And there is no wrong way to do the right thing.
