American Legion Post 231 is pursuing a project to enhance the area by the flagpole memorial to the front of the Post Home. Bricks will be used to construct a memorial Flag Garden standing/ Sitting area around and walkway to the flags in front of the American Legion Post 231. This will be an opportunity to honor yourself, veteran heroes as well as other American Patriots.

Bricks come in 3 sizes: 4x8", 8x8" and 16x16" with options of text only or logos and text.

Help Post 231 by donating a brick for you or your family.
